givejedahand #CAMH CEO Catherine Zahn can always be counted on to say #stupid things and #princeharry's visit to #thecompound #QueenWest #Ossington #Toronto was no exception. If pressed as to what exactly she meant by #thecause she would no doubt answer - to some folk's #MentalHealth #relief! - that it wasn't the #oldsouth - but everyone believing #life was #worthliving - #bravo! Catherine worth every hundred thou of that near million we pay you and #CAMHFoundation to #bullshit us
